# CONDITIONS OF PARTICIPATION

## SERVICE OFFERS AND TERMS OF SALES

To be able to take part of the congress, one shall either **book a booth** (Diamond service) or **book badges** (Gold service).

The allocation of the stands will be done by order of registration via the website of ACORAMEN, through a form on which you will have indicated your choice of stand according to the plan of the exhibition and the table of rates hereafter.

The final and definitive choice of the locations is made by ACORAMEN. No complaint can be made on this subject before the meeting or during the assembly period. Of course, the site designated by the exhibitor on their order form will be taken into account in a priority way.

A deposit of 30% must be enclosed with the order. The cashing of this deposit will be considered as the definitive registration of your stand. A global invoice will be sent to you, showing the balance which must be paid by April 1, 2024 at the latest.

Any payment will be considered as final and will not be the subject of any refunding in case of rescission or cancellation which does not involve the direct responsibility of ACORAMEN.

The ACORAMEN reserves the right to accept or refuse any form of registration and this without justification. In the same way, it reserves the right not to respect the attribution of a place or to refuse access to the exhibition in the hypothesis of the non-payment of the sums outstanding the given deadlines.

For those who wish to participate to the congress without booking a booth, this is only possible through the **Gold service offering**. Each badge offers visibility throughout the event (check the table below).
