### **ALLOCATION CRITERIA & GENERAL TERMS OF SALE**

Stands will be allocated on a first-come, first-served basis via the SFMN website, on the online order form (<https://www.cnp-mn.fr/sfmn-accueil/industriels-jfmn-2026/>), where you will indicate your stand choice based on the exhibition plan and the price table.

The final and definitive selection of locations is made by ACORAMEN. No claims can be made about this before the meeting or during the setup period. Naturally, the location designated by the exhibitor on their order form will be given priority.

A deposit of 30% must be attached to the order (by January 14). Payment of this deposit will constitute final confirmation of your stand reservation. A total invoice will be sent to you, showing the balance due, which must be paid by February 2nd, 2026, at the latest.

All payments are considered final and non-refundable in the event of withdrawal or cancellation not directly attributable to ACORAMEN.

ACORAMEN reserves the right to accept or reject any form of registration without justification. Likewise, it reserves the right not to honor a stand allocation or to deny access to the exhibition if payments are not made by the announced deadlines.
